**What you will receive one month before show.**

- **From Chevalier Associates:** Fashion show line-up indicating all sets. Contact information for participating bridal, tux and floral shops. Contact the shops that you are paired with to create a color coordinated set.
- **From MW Productions for bridal shops:** Gown list reflecting your particular set(s). List indicates stage order and pairings of groom, bride, maid, mother and flower girl. Model images and dress sizes.
- **From MW Productions for tux shops:** Tux list reflecting your particular set(s). List indicates stage order and pairings of groom, bride, maid, mother and flower girls. Model images, measurements and shoe sizes.
- Professional male & female models are provided by Chevalier Associates. Female model sizes range from size 6 to size 12. Plus size, female model is available to shops by request only at a cost of \$200 per show. Should you want to utilize a plus size model and share her stage time and fee with another shop in the show, please confirm with MW Productions. Fee paid directly to MW Productions.

**What is required of you?**

- Review supplied line-up & measurement information once you receive it. Don't wait until the week before to start planning. Please limit lace-up bridal gowns to two per-set.
- Collaborate with Maria to create a set that best showcases your fashions. Each set is themed with an accent of the four seasons so have fun!
- Ask questions. We are here to assist you in the planning and coordination of the fashion show.

**Day of show requirements:**

- Back-stage dressing room area is carpeted and contains sturdy gown racks. Bridal and tux shops will be identified with signage.
- Once you arrive on set-up day, deliver gowns and tuxes directly to dressing room.
- At least two *experienced* representatives for bridal and one for tux must dress the models during the fashion show.
- Relax and have fun!
